

NEW JERSEY CHAPTER PRESIDENT'S AWARD

In 1989, the New Jersey Chapter established an award to recognize outstanding achievement of a chapter member. At the end of each Chapter year, the Chapter President reviews the participation and accomplishments of individual members and selects the recipient for the President's Award. This recipient is afforded the opportunity of attending the Annual National Institute with tuition and travel expenses covered by the Chapter.

In 2002, the New Jersey Chapter established the Chapter Achievement Award which was to supersede the President's Award. The President's Award has now been reinstated for future awards and the Chapter Achievement designation has been discontinued. Previous recipients of the Chapter Achievement Award are now listed under the President's Award.
